

District 24 NAP COC 2026-2027

General

(a) National Conditions of Contest: The 2026-2027 North American Pairs (hereafter, NAP) Conditions of Contest as published by the American Contract Bridge League (ACBL) govern this competition: <http://web2.acbl.org/documentlibrary/play/NAP/CoC.pdf>

(b) District Coordinator: The D24's coordinator for the ACBL-wide North American Pair event is currently Bill Dinner (hereafter "Coordinator"), e-mail: bill.dinner@gmail.com; telephone number (917) 623-0634.

(c) Participation: To advance beyond the club level in this event, a player must be a member in good standing of both the ACBL and District 20 (D24).

(d) Club Stage: Club qualifying games will be conducted in June, July and August of 2026 as detailed in the ACBL National Conditions of Contest. You may qualify in a NAP qualifying game in any ACBL district. Players qualify as individuals and may play with any eligible partner in the district finals.

(e) D24 players who qualified in a Club NAP qualifying game or are otherwise qualified by the ACBL National Conditions of Contest may compete in the D24 NAP Finals in the flight(s) for which they are eligible.

(f) For the purposes of this competition, a player's eligibility for a specific flight will be determined by what their masterpoints were on May 6, 2026 (The June masterpoint cycle).

Partnerships consisting of players at different experience levels are only eligible to compete in those flights for which both players are eligible. For example, a 1000-MP player playing with a 3500-MP player is not eligible for Flight B even though the average of the partnership is less than 3000 MP. Players may participate in any flight for which they (and their partner) are eligible.

However, a player may play in only one flight at the NABC Final.

Event Dates, Times and Locations:

(a) The Flight A and Flight C Finals will be held simultaneously on Sunday, October 18, 2026.
